Mastermind Competition!

A HUGE congratulations to the team from Year 4 that competed in the Mastermind Competition against local schools at Rise Park on Wednesday. I am proud to say that the children did an amazing job and were crowned the winners. Well done!

Inset Day Reminder—Friday 20th June

Our next Inset Day this term is next Friday 20th June. The children will not be required in school.

Warm Weather

As the weather warms up, we ask that you please provide your child with a cap/sun hat and apply sun cream before attending school to protect your child from the heat. We encourage all children to bring their own water bottles in that can be replenished throughout the day to keep them hydrated.

School Parking

Can we please kindly ask when dropping and picking up your children at school that you maintain a cautious approach and do not park on the yellow zig-zags and adhere to the speed limits outside of school.

Also, can you please be mindful not to block residents drives and park courteously.

Thank you for your support in this matter.

Walesby Residential

Some of our Year 5 and Year 6 pupil's had the opportunity to go on a Residential trip to Walesby Forest last week for two nights. The children had an amazing experience, they took part in many adventurous and challenging activities, and it was lovely to see the children working together and cheering each other on. The children represented the school and themselves fantastically, we are so proud of all of them for over coming fears, giving things a go, being brave and most importantly having a great time and making so many memories!

Staying safe online

We know that technology and the internet is a big part of our lives. It be can brilliant but we also know that there are challenges and worries when it comes to children being safe online.
