## Transition Day—Wednesday 2nd July

We have a whole school Transition day on Wednesday and children will be spending the day in their new classes with their new teacher. Letters have gone out this week to advise of your child's new teacher. Please can children be dropped off and collected from their current classroom.

## Sun Safety

We have been advised by UKHSA that temperatures are due to increase over the coming days.

Can you please ensure that your child/ren bring:

- a sun hat
- sun cream that is put in their bag for use during the school day
- a water bottle

Pupils in Year 1 – Year 6 will be asked to put on their own sunscreen. If you would like school to assist with this we will require your written consent and permission slips will be available from the School Office.

For Pupils in Nursery and F2, if you would like staff to support with putting sun cream on then please sign the permission slip and return to school as soon as possible.

## Arbor Parent App

It has come to this time of year again when we are beginning to look towards the new school year. The Arbor Parent App is a really useful app for parents to download and we encourage you to try to use the app where possible. You can utilise the app for making payments, tracking your child's attendance and ensuring the information we hold for your child is accurate and up to date. It is essential that we have up to date contact details in case of emergencies. If you would like the link for the Arbor App emailing to you with instructions of how to set up your account please contact the office. If you are having difficulty setting this up please pop and see us at the office and we can go through it with you.

Moving forward, we will be able to extend our breakfast club provision to involve more children including those in the Early Years. If you would like any more information or would like to enquire about a place for our Breakfast Club, please contact the office.

Please let us know in the office if you are experiencing financial difficulties and we can help you arrange a payment plan.

## **Nottingham Castle—Year 6 Trip**

Year 6 went on a trip to Nottingham castle last week. The children were able to visit the museums to learn the history of Nottingham Castle.
