Year 4 Trip—The Great Orchestra Experiment

Our year 4's went on a trip to the Albert Hall and took part in The Great Orchestra Experiment this week. They got to see opera singers and joined in with some of the singing and they also played their instruments alongside an orchestra. The orchestra were very talented and the children heard them play 'Defying Gravity' from Wicked - the children were very impressed and really enjoyed their day!

School Discos

This week we had our school discos for our children in years 1-6. It was amazing to see so many children attend it. The children really enjoyed it and loved having a dance, as well as some of the staff!

Mother's Day Breakfast

We had our Mother's Day Breakfast this morning, it was great to see so many of you! We've received some lovely feedback too, which is always nice to hear, so thank you! We look forward to hosting our Father's Day Breakfast in June!

Keeping well this Spring

It is usually appropriate for parents/carers to send their children to school with mild respiratory illnesses. This would include general cold symptoms: a minor cough, runny nose or sore throat. If you are unsure please check the guidance on the NHS website.

[Is my child too ill for school? - NHS \(www.nhs.uk\)](https://www.nhs.uk)

Help and support for a range of issues can be found on the Nottingham City website. Just type in Ask Lion Nottingham. There is advice and support on areas such as food banks, warm spaces, what's on across the city, homes and house and SEND.
