Westglade Phonics

Booklet 1

This booklet is designed to support your child in learning the 'set 1 sounds' we teach in school as part of Read Write Inc. For each sound have a go practising saying the sound, writing the letter and then read the real and alien words.

It would be fantastic if you could then say and cover the words and get your child to have a go at writing them, as this will help them apply the sounds.

On the school website there are links to phonics activities and games to further support your child in their phonics and reading development.

There will also be videos showing how each sound is pronounced to support you.

If you have any questions please do not hesitate to ask.

The Westglade Team.

Maybe now you could have a go at writing some of the words you have had a go at reading? Use the space below or other pieces of paper.

Remember to sound out each word carefully.
