Grow, discover & blossom

Westglade Phonics

Booklet 2

This booklet is designed to support your child in learning the 'set 2 sounds' we teach in school as part of Read Write Inc. For each sound there is a space to practise writing the letters that make it and to read real and 'alien' words.

It would be fantastic if you could then say cover the words and get your child to have a go at writing them, as this will help them apply the sounds.

On the school website there are links to phonics activities and games to further support your child in their phonics and reading development.

There will also be videos showing how each sound is pronounced to support you.

If you have any questions please do not hesitate to ask.

The Westglade Team.

ay

These two letters are a digraph. They make the sound **ay**, as in m-ay for 'May I play?'

may I play?

2. day, play, may, way, lay, say, tray, spray

Can you practise writing the sound? You can also use this space to write some words with this sound in.

Can you read these real and alien/nonsense words?
